WHO WE ARE

A sourcing partner for hospitality textiles

Navanté Living is the hospitality textile brand of TG Enterprises, based in Lucknow, Uttar Pradesh. We work as a sourcing and supply partner, connecting hotels and hospitality buyers with carefully selected manufacturing partners in India.

Our approach is practical and relationship-driven: we listen to your operating needs, recommend suitable products and specifications, and coordinate quotation, samples and supply with clarity at every step.

WHAT WE OFFER

- Bed linen and bath linen
- Mattress protectors and accessories
- Bathrobes and hotel slippers
- F&B linen and table textiles

WHOM WE SERVE

- Hotels, resorts and boutique properties
- Serviced apartments and institutions
- Procurement companies and groups
- Distributors, importers and wholesalers

Navanté Living operates a partner-based sourcing and supply model. Specifications are confirmed at quotation.

CAPABILITIES

Support from selection to shipment

Capabilities are described in good faith; customisation, certification and delivery arrangements depend on the product, partner and order, and are confirmed individually.

Product sourcing

Hospitality textiles sourced across bed, bath, F&B and accessory categories.

Custom specifications

Custom sizes and specifications, subject to feasibility with the selected partner.

Selection & quotation

Guidance on suitable products, with samples and quotations to support your decision.

Branding & packaging

Branding and packaging options, subject to product and supplier capabilities.

Export coordination

Export-oriented documentation and shipment coordination, as applicable to the order.

Domestic & export enquiries

Supply enquiries welcomed from buyers across India and from international B2B customers.

STRIPED LINEN DETAIL

LAYERED PILLOWS

PILLOW & RUNNER TEXTURE

BED LINEN

Comfort, presented well

Considered bed linen shapes the first impression of a room. We help you compare constructions for comfort, appearance, durability and care in daily hotel laundering.

- Flat and fitted bedsheets
- Pillowcases
- Duvet covers
- Decorative cushion covers
- Bed runners

CONSTRUCTION	STATUS
Plain satin	*Subject to availability*
Satin stripe	*Subject to availability*
Dobby	*Subject to availability*
Jacquard	*Where available*

Thread-count options may include 300, 400, 500 and 600 TC, subject to availability and specification. Fabric composition and performance are confirmed at quotation.

BATH LINEN

Softness for the spa moment

Towels are among the most-handled items in a hotel. We help you weigh softness, absorbency, everyday practicality and laundering needs for your property.

- Bath towels
- Hand towels
- Face towels / face washers
- Bath mats
- Pool towels
- Kitchen and tea towels

RANGE	INDICATIVE
Terry towels (indicative)	*500–800 GSM*

GSM is an indicative range only; weight, construction and laundering suitability are confirmed per product and specification.

PROTECTION & ACCESSORIES

Care beneath the linen

A mattress protector supports hygiene and helps extend mattress life, while remaining easy for housekeeping teams to remove, launder and replace.

- Quilted mattress protectors
- Non-quilted mattress protectors
- Pillow protectors, subject to availability
- Relevant bedding accessories

Water-resistant or breathable properties are mentioned only where confirmed for the selected product.

ROBES & SLIPPERS

A quiet kind of luxury

Robes and slippers complete the in-room experience. Options are matched to your guest profile and housekeeping routine.

BATHROBES

- Waffle
- Terry
- Velour, subject to availability

SLIPPERS

- Open-toe
- Closed-toe

Branding and embroidery options are subject to feasibility.

F&B LINEN

Set the table with care

Table linen is part of the dining story. We help restaurants, banqueting and bars choose napkins and table textiles that suit service style and laundering routines.

- Dinner napkins
- Cocktail napkins
- Table linen
- Tablecloths and runners, subject to availability
- Custom sizes and finishing options

REFERENCE SIZE	INDICATIVE
Dinner napkin	*21 × 21 in*
Cocktail napkin	*12 × 12 in*

Final dimensions, fabrics, colours and finishing are confirmed during quotation.

CUSTOMISATION

Tailored to your property

Buyers can explore tailored solutions with us. Each option below depends on feasibility with the selected partner and is confirmed during quotation.

- Custom dimensions and specifications
- Fabric and design selection
- Embroidery or woven labels, subject to feasibility
- Branding options
- Packaging options
- Product selection to suit hotel operating requirements

SUPPLY

Two routes, one careful approach

Domestic Supply

ACROSS INDIA

- Hospitality buyers across India
- Hotels, resorts, serviced apartments, institutions and procurement partners
- Product selection, quotations, samples and order coordination

Export Supply

INTERNATIONAL B2B ENQUIRIES

- International B2B enquiries welcomed
- Hospitality textile sourcing from India
- Product specifications and quotation coordination
- Export documentation and shipping arrangements, as applicable to the order

Specifications, order quantities, lead times, packaging, payment terms and shipping arrangements are confirmed individually. We are open to enquiries from all markets.

HOW IT WORKS

Five clear steps

01

Understand

your requirements

02

Recommend

suitable products and specifications

03

Confirm

quotation, samples and order terms

04

Coordinate

sourcing, production and quality checks, as applicable

05

Deliver

with packaging and documentation coordinated

Agreed before you commit

Specifications and timelines are agreed with you before order confirmation, so that your purchasing team always knows what to expect.
